RE: Buy American and Buy America

Dear Customer,

All steel products manufactured by Steel Dynamics, Inc., Structural and Rail Division were 100% melted, cast, rolled, and packaged domestically in the United States with materials produced substantially in the United States. Our products thereby meet the requirements of Buy American as described in 41 U.S.C Chapter 83 and FHWA's policy for Buy America as described in Title 23 CFR 635.410. Furthermore, the statement "Melted and Manufactured in the USA" is at the top left corner of the mill test report.

Sincerely,

A handwritten signature in black ink, appearing to read 'Doug Blomeke', is written in a cursive style.
